CAB description

Listeners Community Radio of Utah's (90.9fm KRCL) Community Advisory Board (CAB) is a volunteer group of interested listeners who meet quarterly to gather public comments and advise as to whether the programming and policies of KRCL meet the specialized educational and cultural needs of the community.

The CAB, as required by federal law, reviews the programming goals established by the station, the service provided by KRCL, and the significant policy decisions rendered by the station, and assesses whether the programming and other policies of the station are meeting the specialized educational and cultural needs of the communities served by the station. The CAB deliberates independently of station management and Listeners Community Radio of Utah Board of Trustees, determining its own agenda and electing its own leadership. The CAB is an advisory body only, and is not authorized to exercise any control over KRCL's daily management or operations. The CAB conveys its findings and recommendations based on public input to the Board of Trustees on a quarterly basis.
